

## Customer Testimonials

Here's what our clients have to say about their experience with Ballew Landscape Design, LLC. We are so pleased with our landscaping! From beginning to end we had a very positive experience with John Ballew. He really listened to our ideas, concerns and wishes. We especially appreciated his honesty and guidance as to what plants would work for our area and lifestyle. John was open to changes as the landscaping was in progress and that was greatly appreciated. We certainly recommend John Ballew and the kind and respectful men he works with.

Black Forest, Colorado

From the start, working with Ballew Landscape Design was a pleasure. Their knowledge of landscape design, type and placement of plants and trees combined perfectly with their friendly, courteous manner, not to mention reasonable fees and charges. We scored a perfect 10 in choosing Ballew Landscape Design to design and install our beautiful back patio and flower-beds.
